Number of throwouts = number of races x .25, rounded down. Designated in yellow.

Based on low point scoring system as specified in RRS A4 and RRS A8 (on tie breakers).

We have modified RRS A9 (on series scoring) such that boats not entering a regatta are scored as DNS (adjusted for the Fleet -- see next line) plus 1.

Finishes for individual races are adjusted to exclude all non-Fleet 17 entries.

Corrections should be communicated to Ned Walker (eww@socrates.berkeley.edu or 510-642-6168).
